### January 19th, 2019 -

January 19th, 2019 - The 1930s were a decade of significant change in the United States. The Great Depression had begun in 1929, and the country was struggling economically. However, it was also a time of social and cultural progress. The New Deal was implemented, and the country began to recover. The 1930s also saw the rise of the radio and the film industry. The decade ended with the attack on Pearl Harbor in December 1941, which led to the United States' entry into World War II.
