**British Bookreviews bjo bmj com**

November 21st, 2018 - this requires strict standards for comparison This  
booklet is helpful in this respect being concerned with the definition of  
terms used in perimetry and with the standardisation of apparatus and  
procedures A few years ago an International Perimetric Society IPS was  
formed and so it is not surprising that the value of a multilingual  
perimetric glossary was soon recognised and work began
